

2023 – 2024 Monthly Tuition & Fees

Registration Fee

A \$175 non-refundable registration fee is due upon registration of your child. Your child’s enrollment will not be finalized until your registration payment is received.

Monthly Tuition

Tuition is divided into 10 equal payments that are due the 1st of each month (September – June). We require that a 50% deposit of your child’s monthly tuition be paid by June 30, 2023 which will be applied to his/her/their September tuition payment. This deposit is non-refundable.

There are no reductions in tuition for vacations, illness, pandemic related or other shutdowns, or withdrawal without notice. If tuition is not paid within 5 days of the due date, your account will incur a \$20 late fee for each day payment is late. Returned checks will incur a \$20 return check fee plus the per/day late fee.
